## Jay

### Area of study:

Certificate IV in School Based Education Support

### Why do you live where you live?

I have family ties to the community.

### What are your passions and how do you typically spend your free time?

I spend my free time with my kids and exploring surrounding towns and areas.

### What kind of work are you currently doing?

I love to volunteer at a local primary school. I volunteer in education support, which is also what I am currently studying so it is fantastic for getting some "hands on" experience.

### What inspired you to pursue your field of education and what do you hope to achieve through your education and career?

I have a passion for helping people, especially kids, so this is my main motivation to succeeding in my studies so I can enter the career of my dreams.

### How has CUC Bass Coast assisted your learning journey?

CUC is amazing because it gives me a professional, quiet and motivated area to study, keeping me on track and on time.
