

STUDENT STORY

Lucy

Area of study:

Bachelor of Nursing

Why did you choose your field of study?

I've always wanted to be a nurse. I love helping and caring for people, it brings me joy.

How important has CUC Bass Coast been to your studies? How have you benefited from the Centre's services?

A huge benefit to my studies. I wouldn't have come this far without their help and encouragement.

How do you plan to apply your knowledge and skills after graduation?

I want to go where I am needed, try new places and help as many people as I can.

Share with us some of your proudest moments as a student.

Everyday is a proud moment ❤️ The biggest day will be that day I graduate 🎓

Please share any insights you have gained along your learning journey.

Always get yourself organised from the start and get all assessment done on time.
